

Special Ed EA:

The district is hiring a full-time assistant for a self-contained classroom. As a part of the team, the assistant will work with various grade levels of students in the self-contained classroom, and escort students to and provide assistance in general education classrooms. This position is open until filled and does require an Educational Assistant License. Preference will be given to candidates currently licensed. Those needing a license are encouraged to apply and demonstrate willingness to take and pass the online assessment necessary for licensure. A contract will not be issued without passage of the assessment. Current substitutes who are interested need only write a letter of interest to personnel@emsdbears.us. New applicants must complete the non-certified application and provide a letter of interest. Interviews will be conducted the week of January 6th.
