

Fourth Grade Teacher

Come be a part of a dynamic district! The qualified candidate will have demonstrated experience analyzing student learning data to develop layered instructional plans, and working collaboratively with a grade level PLC on targeted interventions with flexible grouping. Knowledge of Structured Literacy and standards-based math instruction is a plus. In addition to meeting NM PED licensure requirements, the successful candidate will demonstrate a passion for students and enthusiasm for becoming a part of the school's learning community. This position is open until filled. Please submit an application, letter of interest, resume, and both a reading and math weekly lesson plan to personnel@emsdbears.us.

Cindy L. Sims, PhD
Superintendent
