

# Elementary Teachers:

Come be a part of an exciting team! The qualified candidate will have demonstrated experience (or willingness to learn) as a member of a PLC, identifying core standards, developing pacing guides, creating formative assessments, analyzing data, and developing layered instruction designed to meet the needs of a variety of learners. In addition to meeting NM PED licensure requirements, the successful candidate will demonstrate a passion for students and enthusiasm for becoming a part of the school's learning community. For best consideration, please submit a certified application, letter of interest, resume, and both a reading a math weekly lesson plan to [personnel@emsdbears.us](mailto:personnel@emsdbears.us). Open until filled. Interviews will be conducted as qualified applicants are found.
